

NOVOSOFT 489HE SERIES WATER SOFTENER

Novo's premier high-efficiency softener sets the new standard for high performance while offering more features designed to make installations faster & easier than ever!

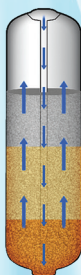

Uses up to
75% less salt
& **64% less water!!!**

Programmable Dealer Contact Display

- ➔ **LOW SALT REMINDER** - calculates salt usage and provides a visual and audible reminder to add salt
- ➔ **MAINTENANCE REMINDER** - allows installer to set a reminder for customer to perform required scheduled maintenance (visual and audible)

Upflow regeneration saves salt by pushing the hardness minerals up & out to drain instead of down through the sodium-charged portion of the softener bed which needlessly depletes it.

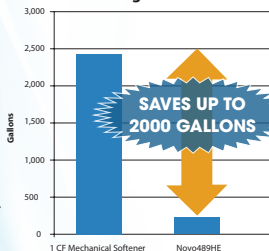

IAPMO R & T Certified
Against NSF/ANSI 44

Features:

- ➔ True 1" porting provides high flow rates for larger homes
- ➔ Upflow Regeneration with Optimal Precision Brining provides high-efficiency performance and lowest possible salt usage.
- ➔ Large 4 line Touch Pad LCD display. No confusing symbols or codes
- ➔ Adjustable Back Wash Frequency saves up to 2,000 gallons of water per year
- ➔ Soft Water Brine Tank Refill conserves capacity and keeps brine tank clean
- ➔ Automatic System Flush rinses stagnant water after 7 days of non-use, preventing bacteria growth
- ➔ Soft Water Recharge Mode ensures soft water during unusually heavy water usage

Estimated Annual Back Wash Water Usage
